² Profit/loss from biosurfit and the impairment of the Group's holding in the associate in Q2 2020 are not included in the Group's operating profit. The impairment loss of SEK 36.6 million is recognized in net financial income together with biosurfit's profit/loss and is therefore only shown in profit after tax in the quarterly overview.

Definitions

Use of alternative performance measures

The Boule Group's financial statements are prepared in accordance with IFRS. Only a small number of performance measures are defined in IFRS. Boule applies the ESMA (European Securities and Market Authority) Guidelines for Alternative Performance Measures. In brief, an alternative performance measure is a financial measure of historical or future earnings development, financial position or cash flow that is not defined or specified in IFRS. Boule presents certain non-IFRS performance measures in order to support management and other stakeholders in their analysis of the Group's development. Management believes that use of these measures facilitates this analysis. These alternative performance measures supplement the information presented in accordance with IFRS and do not replace IFRS performance measures. Boule's definitions of non-IFRS performance measures shown on page 20 may differ from those of other companies. Calculations for all performance measures can be reconciled to line items in the income statement and balance sheet.
